PROSPECTUS / 11 NOVEMBER 2026

AI Showcase & Awards.

A standalone C Combinator event in Cambridge on 25 November 2026. Competition, project presentations, awards and a guest panel with UK and US perspectives.

LEAD PARTNER / 25 NOVEMBER SHOWCASE

£5,000 Lead partnership

Event partner: £4,000 with a company presentation. Community support: £2,500.
Lead partnership adds awards and homepage recognition for £1,000 more.

C Combinator at Barclays Innovation Hub, London / 6 November 2026

Students, researchers, founders and practitioners. Free to attend. All disciplines welcome. No attendance at an earlier event is required.

Choose your sponsorship

Support refreshments, event operations, participant materials, photography and written accounts of the sessions. We agree how your contribution will be used before confirmation.

25 NOVEMBER

Community supporter

£2,500

25 November 2026

- Your logo and link on the sponsorship page and event page.
- A thank-you in the welcome and inclusion in that event's sponsor report.

25 NOVEMBER

Event partner

£4,000

25 November 2026

- All Community supporter benefits.
- A company presentation. Timing and length agreed with organisers.
- Up to 50 agreed words about your organisation on the event page.
- Your logo on the opening and closing slides.
- One C Combinator social acknowledgement, plus one relevant resource link on the event page.

SHOWCASE & AWARDS

Lead partner

£5,000

25 November 2026

£1,000 more than an Event partner.

- All Event partner benefits, including a company presentation.
- Prominent sponsor recognition during the awards.
- Your logo and link on the homepage through 31 December 2026.
- A planning call and a post-event sponsor report.

All figures are proposed contributions in GBP. Availability, deliverables, any applicable tax and payment terms are confirmed in writing before booking.

One evening. A clear agreement.

WEDNESDAY 25 NOVEMBER 2026

Cambridge / 17:00-21:00 GMT

An AI competition, project presentations, awards and a special guest panel with perspectives from across the UK and US. Guest names, competition rules, judges and prizes will be announced as confirmed.

Capacity: 150, not an attendance forecast. Venue details are shared with confirmed guests. Optional Codex workshop: 17:00-19:00, with separate Luma registration. Main event registration does not enter you in the competition.

Before the event

We agree the contribution, benefits, artwork, links and deadlines in writing. The agreement also covers payment, programme changes, and how contributions and undelivered benefits are handled if an event changes or is cancelled.

Support in kind

Refreshments, photography, equipment, prizes and software or cloud credits are welcome. Recognition is agreed according to the contribution. Please include availability and any eligibility, expiry or redemption conditions.

After the event

We propose a report within ten working days of the showcase. It records benefits delivered, verified attendance and published material. Aggregate feedback and measured engagement are included where available. We do not promise impressions, leads or commercial outcomes.

Independence

Company presentation timing and length are agreed. Sponsorship does not buy a panel seat or a judging outcome. Sponsorship does not include attendee contact lists or rights to participants' work. Introductions need both people's permission. Sponsorship supports C Combinator events, not the University of Cambridge, OpenAI or Barclays.
